

Household Staff Safety Workshop

This informative and thought-provoking course is open to all homeowners, their gardeners and domestic workers to help keep them safe in and around your property during the day.

This course is a must for all gardeners and domestic workers and will ensure that they are better equipped to ensure the safety of themselves and your loved ones in your home.

Unfortunately the presence of criminal elements in our society is a reality, but with the basic education this course provides, they can be empowered to **STOP** being victims.

The course covers the following:

- Awareness
- Suspicious vehicles and people
- Crime prevention at home and around
- Emergency numbers
- Best practices
- Alarm and Panic buttons

WHEN: 30th January 2018

TIME: 10h00 - 11h30

WHERE: Noordhoek Community Centre, Avondrust Circle, Noordhoek
